

Causes

- Secondary School Education does not Provide Practical, Marketable Skills
- Lack of Funds to Pursue Higher Education or Vocational Training

Core Problem
Extremely High Unemployment Rates among Youth in Uganda

Effects

- Early Marriage and Pregnancy
- Slow Economic and Social Development
- Boredom, Inability to Lead Independent, Fulfilling Life

Core Objective
Create Independent Young Women in Rural Northern Uganda who will Positively Impact Society

Strategies

- Expand Access to Skilling: Provide Scholarships for Specialized Programs (such as Nursing School)
- Recruit Women in these Programs as Guest Speakers for Empowerment Retreats to Inspire Younger Girls

Results

- Independence
- Reduced Early Marriage and Pregnancy
- Increased Economic and Social Development
- Ability to make a Positive Impact on Community
- Role Models

THEORY OF CHANGE
